# ALL EMERGENCIES DIAL 911

## About The 45th Parallel EMS

The 45th Parallel is a progressive EMS service, non-profit agency that provides emergency medical services in Coos County, NH and Essex County, Vermont. Our service area includes remote wilderness, multiple busy ATV and snowmobile trails as well as hiking and recreational areas. We service several area hospitals with interfacility transfers. This is in addition to the 850 square mile coverage area for 911. We run 2 ambulances daily, working with local first responders, local dispatch, fire departments and with multiple law enforcement agencies.

**Plan and prepare for extended response times for Back Country assistance.**

**Have a satellite capable phone with you and be prepared to give coordinates to dispatchers.**

**Serious illness and injuries require transfer to larger facilities**

**Make sure someone knows your plans and the time expected to return.**

Snowshoeing doesn't get any better than in the Great North Woods and will soon be one of your favorite winter activities. The North Country is home to tons of scenic hiking trails that can be hiked during the snow-covered winter months with snowshoes. Here in the North Country, our miles of trails through remote wilderness and up scenic mountain peaks offer a rewarding experience.

Coleman State Park and Coleman Lodges, Coleman State Park and lodges lie on the shore of Little Diamond Pond in Stewartstown, twelve miles east of Colebrook in New Hampshire's North Country. The Lodges at Coleman State Park is an excellent base for snowmobiling, OHRV riding, fall hunting, hiking and snowshoeing. Snowshoe rentals are available in the park office/ store.

Dixville Notch State Park has many year-round accessible trails that are wonderful to snowshoe during the winter. Mount Sanguinary is a scenic trail through the balsam and spruce forest offering incredible views from a rocky pinnacle overlooking Lake Gloriette and the Balsams Grand Resort Hotel. Other popular trails include Table Rock and The Three Brothers Trail.

The Fourth Connecticut Lake Trail is nestled in a mountain valley just below the Canadian border. The trail is a modern, 2.1-mile loop trail around a small pond that straddles the international border.

Snowshoeing in the Great North Woods offers the opportunity to run into some of our favorite four-legged

friends. Wildlife is abundant in the North Woods so don't be surprised if you see a moose or deer lurking in the woods!

After your long day in the snow, look to warm up at any one of our local restaurants for a hot plate!

# Snowmobiling

With over 700+/- miles of New Hampshire 7,000 mile trail system in the Great North Woods.....not one will lead you to your office door!

Snowmobiling in the Great North Woods is some of the best of Snowmobiling in New Hampshire. Snowmobile enthusiasts are sure to have a great experience here. In the winter, the North Country becomes the snowmobiling capital of New England, with hundreds of miles of groomed snowmobiling trails that weave through the spectacularly beautiful wilderness and provide visitors with endless hours of winter fun and adventure.

The area offers a one-of-a-kind snowmobiling experience! Each night, the area's snowmobile trails are groomed to perfection by local clubs, which also maintain several warming huts on the trails. This is made possible through the partnerships with thousands of landowners who generously open up their land for the recreation of snowmobiling. Countless club volunteers work tirelessly to construct and maintain this trail system.

Thanks to the support of the local communities, North Country snowmobilers are able to enjoy convenient access to restaurants, stores, gas stations and, in many cases, even their motel rooms and cabins.

The North Country's network of snowmobile trails also connects to trails in southern NH, Vermont, Maine and Canada, allowing visitors to snowmobile for days at a time without riding the same trail twice.

## Registering your Snowmobile

*NOTE: Annual registrations run  
May 1 through April 30*

The cost to register a snowmobile in New Hampshire depends on whether you are a resident or non-resident, and whether you are a club member:

- Resident club member:..... \$121.00
- Resident non-member: ..... \$151.00
- Non-resident club member:..... \$131.00
- Non-resident non-member: ..... \$161.00

If you've never snowmobiled, try it in the North Country this winter. It's such a fun and exhilarating experience, it'll have you looking forward to winter all year long.

## Registering your snowmobile

All snowmobiles and OHRVs must be registered if operated in New Hampshire off the owner's property. There are no additional trail user fees in New Hampshire. A registration is a privilege to ride off of your own property on approved trails or with written landowner permission. A registration does not give permission for unrestricted riding or operation on roadways not part of an approved trail system.

## THANK YOU, LANDOWNERS!

The Colebrook Ski-Bee's Snowmobile Club, our volunteers and riders are grateful to the generous landowners who volunteer the use of their land for a snowmobile trail each winter.

Our Landowner's continuing support contributes not only to the enjoyment of snowmobiling, but also provides many social, recreational and economic benefits to their home communities.

Membership applications are available on-line at:

<https://tinyurl.com/ColebrookSkiBees>

Visit our website at [www.colebrookskibeas.org](http://www.colebrookskibeas.org)

Please note that registration does not guarantee trails are open for riding. It is the rider's responsibility to check for trail openings, closures, or event cancellations. For information on trails, openings and closures, contact the NH Bureau of Trails at (603) 271-3254.

When registering an OHRV or snowmobile, the registrant:

1. Must be at least 18 years old and present a valid driver's license or non-driver photo ID issued by Division of Motor Vehicles. Registrations are issued to an individual;
2. Must present a valid NH driver's license or NH non-driver photo ID to qualify for resident rates;
3. Must provide the vehicle: year of manufacture, make, model, displacement, primary and secondary colors, and VIN. No title, bill of sale or previous registration is required in NH;
4. Must present the appropriate proof of club membership to qualify for applicable member rate. See below for information regarding wheeled vehicle and snowmobile club memberships;
5. Will receive a printed registration certificate and two decals; and
6. Is responsible for verifying their registration information and affixing the decals appropriately.

# Arts & Culture

With high-quality theater productions and concerts, fascinating museums, historic homesteads, and a diverse community of incredibly talented artists and craftspeople, the North Country is a region bursting with creativity and culture. The arts and culture of the North Country are unlike any other!

At the center of the area's arts scene are two arts centers, the Tillotson Center and the Great North Woods Center for the Arts. The Tillotson Center in downtown Colebrook is home to a large art gallery that exhibits work by local artists and a 171-seat theater that hosts live stage productions, movies, concerts and more. The Tillotson Center also houses the Colebrook Area Historical Society annex, which is full of the region's history.

The Great North Woods Center for the Arts on Route 3 in Columbia is a full arts campus which serves as the home for the Great North Woods Committee for the Arts, the Carriage Lane Players, and the Connecticut River Artisans Group. It features indoor and outdoor stage facilities, a workshop and an artist/performer residency building.

The region's culture is also found in its working farms and historic homesteads. The Poore Farm Museum is considered by many people to be New Hampshire's most important historic landmark. The historic homestead and museum portrays what life was like in the area from 1830 to 1980, and the house, barns and out-buildings are all in authentic condition.

For visitors who want to learn about agriculture, the EcoVillage Institute—also referred to as La Cite Ecologique—is an organic farm with beautiful gardens, greenhouses, and offer seminars and workshops on sustainable farming practices.

The North Country has a vibrant community of artists and craftspeople. Their work can be found at many of the area's shops and several festivals throughout the year. A popular event is the annual Dixville Notch Music, Arts and Crafts Festival held each spring at Mohawk Falls. The festival features live music, arts and crafts vendors, delicious food, artist workshops and much more. Perhaps the best place to view work by local artists is Fiddleheads, an artisan shop in Colebrook that showcases high-quality, handcrafted work by the region's best artists.

# North Country Ice Fishing

The fishing escapades of the Great North Woods don't end when the temperatures drop! We boast of some of the best ice-fishing in the Northeast! The North country's still waters like the Connecticut Lakes, pack in breathtaking winter scenery with the peaceful opportunities of a winter catch.

Be sure to dress and pack accordingly though. Our local ice-fishers are always prepared for the consistently below-freezing temperatures that make for the optimal fishing conditions!

When it's time to warm-up from your day on the ice, you can grab a hot bite to eat at any one of our local eateries!

If you're looking for more things to do or other winter activities for the whole family, The Great North Woods is full of so many other winter recreation opportunities!

## Tri-county Kids Ice Fishing Tournament

This weekend tournament gets kids out on the ice enjoying our frozen local lakes. A great way to include family and friends and introduce young ones to the sport, the weekend tournament culminates in a fish weigh-in and prize ceremony.

Brighton Recreation is gearing up for the 19th annual Tri-County Kid's Fishing Tournament. 150 Children from the Tri-County area have participated in this fishing tournament each year. Through the generosity of our sponsors, we have been able to provide an opportunity to learn the tradition of ice fishing in Vermont as well as provide prizes and trophies to participants to encourage their future involvement in a sport with dwindling numbers. This kid's tournament has been a tradition for many of our participating families and allowed them to form life-long memories of being outdoors in the winter in Vermont.

For more information:

<https://brightonrecreationvt.org/events/>

## 46th Annual Rotary Ice Fishing Derby Meredith, NH February 8-9, 2025

All anglers must comply with the law set forth by the New Hampshire Fish and Game Department. Ice fishing rules can be viewed on the New Hampshire Fish & Game website: [www.wildlife.state.nh.us/fishing/ice-fishing](http://www.wildlife.state.nh.us/fishing/ice-fishing)

All fish must be legally and freshly caught from any fresh New Hampshire public waters (RSA: 271:20) by the registered Derby ticket holder. Fish must be taken through the ice on Saturday or Sunday of Derby Weekend. All fishermen must ensure that fish being entered in the Derby are dead prior to entering the weigh-in line. Live fish in possession will result in immediate Derby disqualification.

A valid Derby ticket and a valid New Hampshire Fishing License will be required, either paper or electronic will be

required for identification when entering fish and claiming a prize. Minors under 16 years of age do not need a valid fishing license for ice fishing, but do need a valid Derby ticket when entering fish or claiming prizes.

# Maple Sugaring

It may still be cold in March, but that surely doesn't stop it from being Maple Month! Maple sugaring signals the start of Spring. A true North Country tradition passed down through generations. Sap flows when daytime temperatures rise above thirty-two degrees and nighttime temperatures fall below freezing, sometimes starting as early as mid-February and ending once the trees bud. Many of the North country's sugar houses will open to the public during the annual Maple Weekends in March. Make sure you stop by, take a tour, and meet the maple producers who make all your favorite syrups, maple candies, donuts and more.

# 2025 Moose Festival

The weekend of  
August 22-24, 2025

There is no summer fun like our annual Moose Festival!

Celebrate all things Moose at the 35th annual North Country Moose Festival in downtown Colebrook, NH on Friday and at the Canaan Rec Park in Canaan, VT on Saturday! Held annually the weekend before Labor Day. This year's festivities are planning to include a moose calling contest, chili cook-off, live music, artisan & craft vendors, and family favorites such as horse & wagon rides, a dog

show, and maple syrup tasting contest – not to mention the classic car show! You can even soak your feet in the Mohawk River! And don't forget to head down the road to Dixville Notch State Park, where you might spot a moose of your own! Then on Saturday, head over the border to Canaan, VT for a down-home country fair.

For information on becoming a vendor or sponsor call 603-237-8939 or go to [info@chamberofthenorthcountry.com](mailto:info@chamberofthenorthcountry.com).

**Friday Moose Festival - Main Street

We're more than just a flower shop!*

## Hicks Hardware, Home, & Housewares

120 Main Street, Colebrook, NH • 603-237-5531

*Come in and see what's new at Hicks!*

**Big Bill  
men's clothing**

**Muck Footwear  
For the whole  
family!**

**Dickies**

**Old-fashioned  
sodas**

- **Jewelry • Women's purses**
  - **Men's wallets & belts**
- So much more to see!  
Come in and check it out!**

*And, of course we still carry small kitchen appliances & gadgets, all kinds of gifts, stocking stuffers, toys, etc. . . .  
Let's not forget the full line of plumbing, electrical, hardware, power and battery-operated tools, and much, much more!*

When you've had enough snowmobiling, skating, or snowshoeing, there are stores for all types of shopping — all located right here in the North Country! Find everything you're looking for and keep your money here in the local economy. From Colebrook, to Dixville Notch, to Pittsburg, we've got it all! Everything from food, clothing, pharmacy, outdoor gear, gifts, jewelry, toys, flowers, and arts & crafts — our talented residents and entrepreneurs have covered all the bases, so there's no reason to look elsewhere. Search through the various shops on our Main Streets and on our country roads to find just what you're looking for, along with unique gifts and things you never even knew you needed!
