Greetings!

As the representative of northern New Hampshire and Vermont business communities, the North Country Chamber of Commerce strives to promote, connect, and strengthen the region as a whole. It is our goal to advocate for your business and work to increase economic development in the area, to strengthen your market presence, network with other business owners, and participate in relevant initiatives. The North Country Chamber of Commerce (NCCOC) invites you to consider joining our growing membership or rejoining as a member for the 2026 Membership Period.

We have made significant progress this year in multiple ways. Our team has been working diligently to reassess all that the Chamber has accomplished in the past and move forward with innovative ideas for the future. Some of the projects we have been working on are finally coming to light. Look for a new and improved website coming by July 2026! Also, keep an eye on your email for our newly created newsletter!

We have added some exceptional board members to our team, and these prominent business professionals have each brought their unique set of skills and expertise to the table to advocate for the industry they are involved in and the areas they represent. They volunteer countless hours for the Chamber!

We ask that anyone interested in joining a committee please contact our office. We could sure use your help! This will benefit your business overall by helping to influence what the Chamber does. We would be happy to discuss the options with you to see what a good fit for your schedule and skill set might be.

With your active involvement, we continue to grow and improve. Please consider signing up for a 2026 membership to keep us on this upward climb. We work so hard to help your business benefit from our efforts and the North Country. Thank you for your support and participation. We hope to serve you well!

Warm regards,

Butch Ladd, Executive Director  
& The NCCOC Board of Directors
